

M Three Ranches is a family farm and agricultural service supplier located in Yolo County California. The company strives to be a leader in sustainable agriculture through innovation and adaptable agricultural practices, while providing top quality products and services to its customers and community.

Position Title	Work Schedule	Compensation
Tractor and Equipment Mechanic	Year-Round (Full Time)	\$17 – \$25/HR

Description

M Three Ranches is currently seeking an experienced Tractor and Equipment Mechanic to join our team. The ideal candidate will be responsible for diagnosing, repairing, and maintaining various types of tractors and agricultural machinery. This role requires strong mechanical aptitude, problem-solving skills, and the ability to work efficiently in a fast-paced environment.

Responsibilities

- Diagnose mechanical, electrical, and hydraulic issues in tractors and related equipment.
- Perform routine maintenance, including oil changes, filter replacements, and fluid checks.
- Repair and replace faulty parts including engines, transmissions, tires, brakes, and hydraulic systems.
- Conduct inspections to ensure equipment is operating safely and efficiently.
- Use diagnostic tools and manuals to troubleshoot problems.
- Fabricate parts as needed for repairs.
- Communicate effectively with service companies.
- Maintain accurate service records and reports.
- Adhere to safety protocols and workplace guidelines.
- Provide excellent customer service when working with clients or farm personnel.

Qualifications

- High school diploma or GED (Technical certifications are a plus).
- Proven experience as a tractor mechanic, heavy equipment mechanic, or agricultural machinery technician.
- Strong knowledge of diesel engines, hydraulics, and electrical systems.
- Ability to read and interpret technical manuals and schematics.
- Skilled in using hand tools, power tools, and diagnostic equipment.
- Welding and fabrication experience is an advantage.
- Valid driver's license (CDL may be required for field service roles).
- Ability to lift heavy components and work in various weather conditions. Ability to lift 50 lbs. repeatedly

Note: This job description is not intended to be all-inclusive. Employees may be required to perform other related duties to meet the ongoing needs of the organization.
